Quick Learner

Communication

Highly Optimistic

## TECHNICAL SKILL

MERN

Java

MongoDB, MySQL

DSA

## EDUCATION

BCA

2022 - 2025

LPCPS, UNIVERSITY OF LUCKNOW

Completed my Undergraduate Course with 84.5%

## Projects

Inventory Management System

Attendance Management System

Office Manager

Blog Hub

ParkMate

## WORK EXPERIENCE

Trainee

October, 2023 - March, 2024

Analyze Infotech

- Successfully completed a 2-month training program focused on Java, Servlets, JSP, and MySQL, building a strong foundation in backend development and relational databases.
- Completed an internship starting in January, during which I developed a comprehensive "Office Manager" project to streamline administrative operations and enhance office workflow efficiency.

Trainee

August, 2024 - December, 2024

Invisor

- Completed a 2-month training program focused on the core concepts of the MERN stack (MongoDB, Express.js, React.js, and Node.js), gaining practical experience in full-stack web development.
- Successfully completed an internship that began in October, during which I developed a dynamic and responsive "Blog Website" with features such as user authentication, content management, and real-time updates.
